# AGENDA MTP NORDIC SUMMIT 2026

ON 17TH APRIL IN 2026, COPENHAGEN, DENMARK

Time		Topic	Speaker
08:00	08:30	Registration & Welcome Coffee	
08:30	08:35	Welcome by IDA Chair, event host and organizer	Carsten Nilsson, Past Chair of IDA Mechanical
08:35	08:40	Welcome by ISPE Chair and organizer	Anders Widov, Board Member of ISPE Nordic
08:40	08:45	Welcome to MTP Summit 2026	Matthias Barbian, Chair of IDA Mechanical Smart Manufacturing & ISPE Nordic CoP Pharma 4.0
8:45	09:15	MTP 2.0 – The new Industry Standard from NAMUR/ZVEI, and PI enabling Modular Production	Dr. Mathias Maurmeier, NAMUR/ZVEI/PNO Committee Lead MTP
09:15	09:45	KojoX - A modular platform approach for rapid expansion and technology transfer	Kasper Berendt, Manager, Downstream Process Automation, FUJIFILM Diosynth Biotechnologies
09:45	10:15	MTP-standard-based automation for Lonza projects	Uwe Kritzler, Head of global Automation & MES CoE MES, Lonza
10:15	10:45	Networking	

# AGENDA MTP NORDIC SUMMIT 2026

ON 17TH APRIL IN 2026, COPENHAGEN, DENMARK

Time		Topic	Speaker
10:45	11:15	Modular process engineering and simulation according to ISA-88	Sandra Brunner-Hütter, Founder and Senior Automation Engineer  Mykhailo Syrotenko, Tech Lead, Ingenieurbüro IB-SBH
11:15	11:45	Calvolver - Module Type Package (MTP) in lab automation	Vice Roncevic, CEO and Founder, Calibras
11:45	12:15	Building Future-Ready GMP Facilities with a fully integrated MTP solution — A Cross-Company Collaboration	Robert Maier, Technical Solution Lead, KeyPlants Automation, KeyPlants  Saverio Mottana, Managing Director, Masco Automation Group
12:15	12:45	Combine the benefits of MTP and DCS in applications in chemical, life sciences, F&B and water industries	Dr. Mathias Maurmeier, Chief Portfolio Owner für den POL SIMATIC PCS neo, Siemens HQ
12:45	13:45	Lunch	

# AGENDA MTP NORDIC SUMMIT 2026

ON 17TH APRIL IN 2026, COPENHAGEN, DENMARK

Time		Topic	Speaker
13:45	14:15	OPC UA and MTP: How does that fit together?	Jouni Aro, CTO, Prosys OPC Ltd
14:15	14:45	The MTP Hub as an enabler for existing modular systems	Anna Bengtsson, Process Industry Specialist, Beckhoff Automation Sweden
14:45	15:15	MTP in action: Integration of Cytiva UNICORNTM based Systems in zenon Process Orchestration Layer	Hannes Törnblom, Automation Engineer, Cytiva  Olivier Friker, Global Senior Product Manager, Cytiva  Yones Sadaghiani, Area Sales Manager, COPA-DATA
15:15	15:45	Networking	

# AGENDA MTP NORDIC SUMMIT 2026

ON 17TH APRIL IN 2026, COPENHAGEN, DENMARK

Time		Topic	Speaker
15:45	16:15	Advancing Automated Bench Top Systems for Cell Therapy: Towards Future MTP Enabled Hollow Fiber Transduction Platforms	Dr. Sven Franke, Corporate Head of Automation, ZETA GmbH
16:15	16:45	From Specification to Execution: Semantic, MTP-Based Engineering as a Blueprint for Modular Pharma Projects	Dr.-Ing. Stephan Hensel, CEO and Co-Founder, Semodia GmbH  Daniel Gomez Alvarez, General Manager, PAVIS Engineering GmbH
16:45	17:15	A paradigm shift – From Lab to production with MTP based Modular Plants even for the Pharmaceutical Industry	Dr. Sebastian Härtner, Principal Project Lead, Merck Group  Thomas Makait, Managing Director, MTP4Pharma®
17:15	17:30	Closing Remarks & Next Step	
17:30	18:00	Networking & Closing
